### CLARIFICATION

**Question.** May a committee, as a condition of a competition, provide

That a competitor must enter his score into a computer?

**Answer.** No. Such a condition would modify rule 6-6b.

However, while it is not permissible to penalise a player under the Rules of Golf for failing to enter his score into the computer, a Committee may, in order to assist the administration of competitions, introduce a 'club regulation' to this effect and provide disciplinary sanctions for failure to act in accordance with the regulation.

Barnard Castle's club regulation is as follows;

If a competitor fails to enter his score into the computer on conclusion of his round he will be disqualified from the competition.

Any handicap adjustment resulting from the round will stand.

### COMPETITION RULES

All competitions will be controlled through the Pro Shop or by the Competition Secretary.

All Cards must be entered into the computer and placed in the box provided.

Rule 6-6b and the 'club regulation` apply to the above point.

All competitions start from the first tee unless otherwise directed.

All entry fees will be collected at the time of entry from your competition balance.

The last time to post a score on a Weekend or Bank Holiday will be 8pm unless authorised by the starter or competition secretary.

Every effort will be made to close competitions and update handicaps on the day of play.
